The Forum is a single statewide organization consolidating unified program implementation efforts and representing all Unified Program Agencies with a single voice. This is the premiere environmental conference in California, if not the world. We are expecting 2500 attendees this year.

The 2023 Conference will offer compliance training, for regulators and industry, in the following areas:

Aboveground Storage Tanks

Underground Storage Tanks

In addition, sessions will also be offered in:

Management/Leadership
Enforcement
Emergency Response
Technology

We are pleased to offer an EXHIBIT HALL this year, where attendees can visit with our sponsors and see their products in action.

The Conference will kick-off on **Monday, March 20, at 8am** with multiple training Sessions and on **Tuesday March 21**, an Opening Ceremony Welcome message from CUPA Forum Board Chair and a statewide address and other special guests. The conference will end March 23 at 4:45pm.
